CALIBRATE® DRY PLANTERS

A NATURAL ADDITION TO OFFICES

An alternative to screens and panels for space division, Calibrate Dry Planters can fit into any environment. Available in three styles with a variety of sizes and finishes, the Dry Planters refresh space instantly. Plus, they incorporate the benefits of greenery without all the fuss. Instead, maintenance free artificial plants are used in the Dry Planters to bring biophilia to the workplace, similar to the benefits of natural light.
