SLEEK & DURABLE

This student stackable desk from the Mario Collection is a perfect alternative to an ordinary and bulky classroom desk. Coming in charcoal plastic, this desk looks sleek while also being both durable and easy to maintain. Able to be broken down, stacked six high, and stored away, this desk is compact and leaves space for other activities. Not only good for the classroom, this student desk is a great solution for homeschooled children or for parents who want a space at night for their children to complete homework.
