

Chief Kontour Series

The **K4G320B** is a high-performance, grommet-mounted monitor array that supports up to six screens in a **3×2** array. Built for collaboration zones—like control centers, trading desks, security stations, and healthcare workspaces—it combines elegant aesthetics with fingertip ergonomic adjustment and seamless cable management.

KEY FEATURES

- **Ergonomic Focal-Depth Adjustment:** Quickly brings screens closer or farther, ideal for multi-user workstations.
- **Centris™ Fingertip Tilt:** Adjust screen angles with ease.
- **Swivel & Pan Controls:** Rotate and pan each display for optimal viewing.
- **Dual Orientation Support:** Use in either landscape or portrait mode.
- **Integrated Handles:** Convenient ergonomic grip for effortless adjustment.
- **Clean Design:** Built-in cable management and refined aesthetics reduce clutter.
