

WORKWAY™
(PLANTERS)

Available in three styles, WORKWAY™ Planters can be specified as a freestanding unit or be placed on top of an existing surface, providing a decorative yet functional piece.

The ideal solution to liven any space.

Crafted for the modern workspace, WORKWAY™ Planters allow for space division while helping to enrich any environment. WORKWAY™ Planters promote wellness, creativity and productivity by introducing biophilia elements that inject vibrancy into any space. All planters styles are compatible with OFGO STUDIO desking, benching and reception solutions. Whether you're looking to simply add some greenery, create a warm welcome, or divide space, WORKWAY™ Planters are ready to be planted.
